Don't Forget Us
(The Persecuted Church)

**Words and Music by
GARY LANIER**

There is a voice cry-ing in our spir-it. It says to not for-get us.

It is the per-se-cu-ted church of God. It is a call for our in-ter-ces-sion,

a call with deep com-pass-sion; And if you lis-ten you can hear it right now.

"Don't for-get us. Don't for-get us. We bring love and hope and

truth to those who need Je-sus. Don't for-get us. Though in pris-son,

we have ris-en. Chained, but free to share His love to those who need Je-sus. Don't for

get us. We're the per-se-cu-ted child-ren of God. And we're ask-ing you to pray that they

see His love. So, Asking you to pray that they see His love. So, don't for-get us."
